Career Experience

Integration Coordinator

2016 – 2020

Ystad Kommun, Sweden

Collaborated with social services, community forums, and state officials to assist immigrants and refugees in adapting to the Swedish lifestyle. Facilitated lectures and presentations on recent immigration laws in Europe and Sweden, while liaising with multiple stakeholders to mitigate issues related to differences in culture, religion, and tradition between the East and West.

- Offered voluntary services to various non-profit organisations including Free Zone for Women, Save the Children, Sweden Church, and more.

Cluster General Manager

2013 – 2015

Nehal Hotel & Bin Majid Tower Deluxe Hotel Apartments, Abu Dhabi

Oversaw daily hotel functions to ensure full adherence to all operational strategies, policies, and procedures. Drafted and executed budget forecasts, as well as sales and marketing plans aimed at boosting brand awareness and achieving all operational goals. Identified process improvements through tracking monthly, quarterly, and annual financial reports. Developed KPIs and conducted regular performance reviews to encourage cross-functional teams in driving optimal productivity rates. Led training and development initiatives, encouraging a safe and secure environment for all guests and staff alike. Supported PR initiatives to increase brand reputations within the local community.

- Secured a 65% occupancy rate within the first year by playing an instrumental role in the pre-opening of 4-star establishment, Bin Majid Tower Deluxe Hotel Apartments, while maintaining 94% occupancy at the existing Nehal Hotel.
- Devised bespoke preventative maintenance programs, resulting in consistent quality upkeep of all hotel assets and exceptional guest service delivery outcomes.

Hotel Manager

2011 – 2013

Oasis Court Hotel Apartment, Dubai, UAE

Directed innovative strategies to grow the sales and revenue management department, implement functional internal procedures and systems, maintain budgeting capabilities, and improve overall guest satisfaction ratings across a 120-room establishment. Liaised with external contractors and suppliers in effectively managing hotel renovations and inventory.

- Achieved up to 88% in hotel occupancy rates through championing unique guest service functions.
- Boosted revenue and market share by leveraging multiple distribution channels and technology platforms.

Rooms Division Manager & Operations Manager

2008 – 2011

Ramada Hotel & Suites, Ajman, UAE

Led day-to-day functions of the front office, spa and recreation, housekeeping, laundry, and security throughout the over 500 suite hotel. Oversaw the development and implementation of all operational plans to drive revenue generation, guest experiences, and business sustainability. Scheduled workloads as well as facilitated staff training and development initiatives.

- Formed part of the pre-opening task force team to launch Ramada Hotel & Suites, one of the largest hotels in northern Emirates.
- Successfully ran operations during the Asian Cycling Federation Championship, accommodating 600 guests.

Room & Guest Service Manager/Operations Manager

2006 – 2008

National. Corp. for Tourism & Hotels - Danat Resort Jabal Dhana, Abu Dhabi, UAE

Guided hotel staff towards maintaining exceptional guest services throughout the hotel with over 100 rooms, 10 villa suites, three outlets, two meeting rooms, one banquet room with a 350-person capacity, two swimming pools, an onsite health club, night club, pool bar, private beach, and spa.

- Successfully directed all hotel operations including from room bookings to catering services during one of the biggest events in Abu Dhabi, the UAE Desert Challenge, serving a total of 1 200 guests over five days.

Additional Experience

Room & Guest Service Manager | Front Office Manager | Assistant Front Office Manager, National Corp. for Tourism & Hotels - Liwa Hotel, Abu Dhabi, UAE
