

Ahmed Moharam

Director Of Engineering

97 Alsaudia Buildings , Alzaitoun, Cairo ,11281 , Egypt T: +20224516902 M: +201060121022 E: ahmed42203@msn.com Birth Date:21/11/1960

PERSONAL SUMMARY

An experienced, practical and forward thinking individual who has a thorough understanding of how Facility Management works. [Ahmed Moharam] is able to resolve any building problems in a fast, effective and efficient manner. He has a comprehensive understanding of facility management, and more than 30 years proven track record of managing workplace environments.

A high performing Facilities Manager who is able to maintain a site in a good state of appearance, maintenance and repair. He can bring unique perspectives to this role and is a competent and focused Manager who is able to co-ordinate the maintenance and technical requirements of any site. His key strengths include; keeping facility operating costs to a minimum, and ensuring that all third party contract activities comply with the company's legal, Health and Safety, Quality Management and environmental policies.

Date: 31/5/2011

To Whom It May Concern,

This is to confirm that Mr. Ahmed Muharam has been employed by Emak as from May 2009 to September 2010, in the position of "Area Director of Engineering" under the umbrella of "Intercontinental Hotel Group" the operator of three of Emak hotels in Port Ghalib – Marsa Alam.

During this period, Mr. Muharam has performed his duties and responsibilities in the most professional way. His efforts in developing necessary operation and maintenance systems and manuals to a diversified and state of the art infrastructure of the resort destination were noticeable and highly appreciated. He has also participated in creating and training of required manpower that are necessary to operate and maintain our valuable assets in Port Ghalib.

We wish Ahmed every success in his professional future and confirm that he will represent a valuable asset to any firm that he may join in the future.

Eng. Mamdouh Ebada

Mr. Ahmed Moharam Mohamed Lotfy.

Area Director of Engineering

Dear Ahmed,

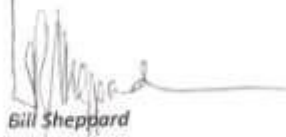

On behalf of the IHG- PG family, we would like to thank you for your cooperation & contribution during your work period at IHG – PG

This is to clarify your employment from May 5th 2009 until September 20th, 2010 in the capacity of Area Director of Engineering

Once again thank you for your cooperation and it was our pleasure to have as an effective team member from IHG – PG family

Wishing you all the best & success in your up coming roles

Best Regards,

Bill Sheppard

Area General Manager IHG Port Ghalib

TO WHOM IT MAY CONCERN

In my entire career, I never had the pleasure and honor to work with anybody similar out of the engineering fields. Be it the stunning knowledge in any field you can imagine, be it the drive to achieve results and to finalize duties on time, be it to have somebody who openly shares his point of view and be it to accept as well to devote everything to the bigger picture - this is Mr. Ahmed Moharam. If I would need again an Area Director of Engineering, I would not hesitate to contact him again to give me the honor to work with him again.

Best regards,

Tom J. Bauer
