Koh Mook-Pawapi Beach Resort is absolute paradise ❤️

My friend and I found Pawapi Beach Resort whilst exploring the island of Koh Mook. We instantly fell in love with the way we were greeted by manager Peter..the service He offered.. it's serenity...the beautiful Bungalows and beach....beachside pool and the restaurant. It was perfect... so we left the initial place where we were staying... Peter helped with our booking and promised us a fantastic staywhich is what we got and more. Nothing was too much trouble for Peter his communication, calmness and managerial skills are second to none. The bungalow was fabulous and to wake up and go to sleep with the most beautiful sunset and sunrise was amazing. Peter even gave us yoga lessons. This experience made our unforgettable holiday. We can't wait to go back. Thank you so much Peter you are truly amazing ... ⭐⭐⭐⭐⭐

Fabulous stay

My friend and I have just returned from a wonderful couple of days in Koh mook as part of our travels around Thailand. We had originally booked at another resort , however when we saw the bungalows at papawi resort with the amazing views , we knew we had to stay there . Peter the new manager welcomed us immediately, helping us make our booking . He was kind and informative and tailor made everything about our stay personal to us .(including yoga lessons delivered by himself) , despite a heavy work load . If you are looking for a relaxing stay with views of probably the best sunrise you will ever see , this is the place for you . We know peter and his staff will do everything they can to make your stay a memorable one as ours was .

Lovely place to stay

We were lucky to spend 9 days in our beautiful bungalow (Villa A6). The bungalow was very clean and big, there was enough space there even three adults living in it. Also the double sink in the bathroom was a lovely surprise! The view is perfect and there is a large terrace to just relax and enjoy it.

The best part of stay in Pawapi was Peter, whose genuinely warm customer service made our stay unforgettable. I can't praise him enough. He is just an amazing person with a good heart.

Thank you so much for everything.

The room is directly on the beach with a beautiful view. The pool is perfect and the overall place very clean. Special thanks to the hotel manager Peter who was very kind and made sure that we had everything we needed to have a great stay. We had the chance to do some special fitness classes also with Peter which definitely makes us wanna stay at Pawapi another time in the future!

Incredibly helpful and welcoming staff at Pawapi Beach Resort - especially "Peter"

Thank you so much Pawapi Beach Resort for your hospitality and 6 absolutely wonderful days in some amazing setting right on the beach front. Imagine that we have been able to get up in the morning for six days and watch the sunset and take an early morning swim and then enjoy morning coffee and your good breakfast in these fantastic surroundings. All this will take home to the cold and windy Denmark and with great joy and with great smiles think back to now when we're back home :-)

You have an incredibly helpful and welcoming staff at Pawapi Beach Resort - and especially "Peter" - you are absolutely outstanding - THANK YOU ALL :-)) we give you the best recommendations and will certainly then things are getting better, return to these wonderful surroundings you have down there at Koh Mook :-)

Amazing place!!

Me , my husband and 1 year old child stayed at Pawapi for 4 nights, and Wish that we could stay longer. This is one of the best places I have ever stayed! Our very big villa right on the Beach was just perfect, clean, quiet, good Big bed, fresh water everyday. And we even got a baby crib. All the staff was so sweet and welcoming and smiling, and they took so good Care of our little 1 year old toddler. We felt so safe with everything. Both the Directing manager and the new Resort Manager Peter did everything they could to make the stay Great and we even got a late check out with no extra price. The pool is Big and Nice with free towels. The Beach is not crowded at all and very safe for children. The restaurant food was simple but great thai dishes. The breakfast was included the price, always freshly prepared, and we had a lot every morning - very good service. The small village is just 5 min walk with small massage places and good restaurants and small supermarkets. I will definitely return to Pawapi and recommend to everyone :-)

“Great Location and Lovely Stay ”

The location can't be beat - right on a lovely swimming beach and 5 minute walk to the village or down the beach to other good restaurants. GM Peter is working hard to bring the staff up to top notch standards. The pool is fabulous, with comfortable lounges, plenty of towels and unbeatable view. The bed was comfy, the balcony a great place to read and relax, shower was just fine and the A/C was needed only at night but it worked very well. I wouldn't hesitate to return! We have a Gin Rummy game to finish with Peter! 😊

It's like being in paradise

😊 – The staff is very kind. Special thanks to Peter for welcoming us and letting us feel like being home. The bungalow is located perfectly, directly at the beach to discover it and it's amazing nature around and the sea. A beautiful scenery like in paradise. We stood four nights and are little upset that we had to leave.

Definitely recommend and keep up with the improvements to match the price paid for accommodation.

😊 – We really liked the Manager, his name was Peter and he was so kind and friendly. You could tell that he wanted to do what he could to better the hotel and make the hotel a really great place to stay. The food and breakfast was lovely.

The bungalows were really nice and housekeeping kept it clean during our stay.

“ I met Peter in Lily Beach Maldives and I can only recommend him to any employer. He has a great sense of guest service and satisfaction.
